

CLEANING QUALITY AND COSTS

Improve One Person at a Time

PEOPLE COSTS are the largest line item in a cleaning budget. In fact, about \$19 out of every \$20 you spend from your budget is likely invested in the people you depend on daily.

Developing Potential

PUR-O-ZONE helps your cleaning goals and budget with a focused objective:

Help make all cleaning processes as efficient and effective as possible, given the goals, needs and current cleaning structure of the department, based on observed data.

Savings within the overall cleaning budget (not only supplies) using PUR-O-ZONE'S Alignment system can be as much as 40%.
